Have you invited your IHE partners?

One of this year's conference goals is to build stronger connections between programs across the Learning to Teach Continuum. Attendance will provide IHE faculty with a greater understanding of the challenges and strengths of Intern and BTSA programs. Funding an IHE faculty member who sits on your Advisory Team to attend will provide benefits for years to come.

Conference begins November 14th at 9:30 am and concludes on November 16th at 2:00 pm. Make your travel plans to ensure attendance from start to finish!
